## ABOUT THE INVOCATION

This year marks the 100th anniversary of the birth of the great American composer Randall Thompson. Educated at Harvard University, Thompson was the Walter Bigelow Rosen Professor of Music at Harvard when he composed a suite of works known as Frostiana, which uses the texts of the great man of letters, Robert Frost.

The Alleluia by Randall Thompson, this year's invocation, was commissioned by Serge Koussevitsky for the Berkshire Music Center in June, 1940, following the fall of France in World War II. At that time all seemed lost for Western civilization. With France occupied, only British resistance in the Battle of Britain kept Germany from gaining control of Europe. There was a universal feeling of depression and despair. It was in that mood that Randall Thompson cried out musically with this plea to God: Deliver us from Hitler's tyranny and affirm the good in humankind.

**The University Mace and Batons**

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who have served as chairs of the Campus Council or the Campus Faculty. The mace is carried by the chief marshal, who is the current chair of the Campus Faculty.

**Marshals' Gowns**

The gowns worn by the marshals are of the traditional University color, cardinal red.

**Honor Stoles**

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (*cum laude*) and white represents High Honors (*magna cum laude*). White stoles with cardinal and white cords represent Highest Honors (*summa cum laude*).

**Academic Regalia**

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue—Ph.D.; light blue—Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture	Maize	Medicine	Green
Architecture	Blue Violet	Music	Pink
Arts and Letters	White	Nursing	Apricot
Business and Bus. Admin.	Drab	Pharmacy	Solid Green
Economics	Copper	Philosophy	Royal Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Dark Brown	Public Health	Salmon Pink
Forestry	Russett	Science	Gold
Human Environmental Sciences	Maroon	Social Science	Cream
Humanities	Crimson	Social Work	Citron
Journalism	Crimson	Speech	Silvery Gray
Law	Purple	Theology	Scarlet
Library Science	Lemon Yellow	Veterinary Science	Gray

## **The University Song**

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne '06, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

### **Alma Mater**

Pure as the dawn on the brow of thy beauty  
Watches thy soul from the mountains of God  
Over the Fates of thy children departed  
Far from the land where their footsteps have trod.  
Beacon of Hope in the ways dreary lighted;  
Pride of our hearts that are loyal and true;  
From those who adore unto one who adores us—  
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward  
Proud of our place in the vanguard of Truth,  
Will sing unto thee a new song of thanksgiving—  
Honor to God and the Springtime of Youth.  
Shout for the victory or tear for the vanquished;  
Sunshine or tempest thy heart is e'er true;  
Pride of the hills and the white-laden Lowlands—  
Mother of Mothers, we kneel unto you.

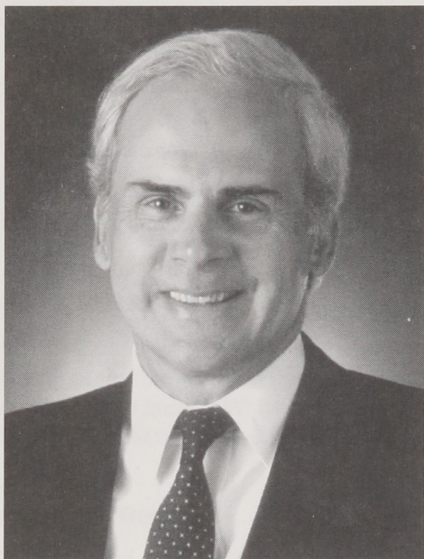

Ever the Legions of Sin will assail us,  
Even the Battle in Cities afar;  
Still in the depth will thy Spirit eternal  
Beckon us on like a piloting Star.  
Down the dim years do thy dead children call thee,  
Wafted to sleep while the Springtime was new;  
We, of the Present, thy Hope of the Future—  
Mother of Mothers, we pray unto you.

## **The University Seal**

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.

**Frederick W. Smith**  
**Doctor of Laws**

Frederick Smith founded Federal Express in 1971. He is currently chairman and chief executive officer of FDX Corporation, a \$16 billion global transportation and logistics holding company, which was established in January 1998 when Federal Express acquired Caliber System, Inc.

Smith provides strategic direction for all FDX Corporation business units, including Federal Express, RPS, Viking Freight, Roberts Express and FDX Global Logistics. These companies operate in 211 countries with more than

190,000 employees and contractors worldwide who handle an average daily shipment volume of nearly 5 million items.

A native of Marks, Mississippi, Smith attended Yale University, where he earned a B.S. in economics in 1966.

Under Smith's leadership, in 1983 Federal Express became the first U.S. company to record \$1 billion in annual sales without benefit of a merger or acquisition. In 1990, it became the first service company to win the Malcolm Baldrige National Quality Award, and in 1994 it was the first global express transportation company to receive simultaneous worldwide 9001 certification from the International Organization for Standardization (ISO), which honors processes and procedures of companies. FDX was recertified in 1997.

Smith is a leader in regulatory reform and an active proponent of global commerce and "open skies agreements" for aviation around the world. He has served on the boards of several large public companies and is the former chairman of the International Air Transport Association and former chairman of the executive committee of the U.S. Air Transport Association. He currently serves on the Business Roundtable, CATO Institute, Library of Congress James Madison Council and the Mayo Foundation. He is also vice chairman of the U.S.-China Business Council.

## **Dale Bumpers** **Doctor of Laws**

Dale Bumpers began a career of public service in his hometown of Charleston, Arkansas, where he served as president of the school board, city attorney, director of a church choir, and president of the Chamber of Commerce while he practiced law, operated a small hardware store, and raised a few cattle. His lifelong dedication to community and service has transformed the lives of people in Arkansas and the country.

In 1970 Bumpers was elected to the first of two terms as governor, during which he reorganized state government, trimmed the number of state agencies from 69 to 13, doubled the number of state parks, started the state kindergarten program, and launched an initiative that doubled the number of doctors trained at Arkansas' only medical school.

He served Arkansas as U.S. senator for 24 years – from 1975 through 1998. As the top ranking Democrat on the Senate Appropriations Subcommittee on Agriculture, Bumpers fought to protect family farmers, expand rural housing, and promote rural development. Among his many accolades in the Senate, he was chosen the second best-liked Democratic senator in a poll of Senate staffers and the top Senate orator in a *USA Today* poll of Senate press secretaries.

Bumpers attended the University of Arkansas, served three years in the U.S. Marine Corps during World War II, and earned a law degree from Northwestern University. In July, 1995, the University of Arkansas Board of Trustees unanimously voted to change the name of the College of Agricultural, Food and Life Sciences to the Dale Bumpers College of Agricultural, Food and Life Sciences – a fitting tribute to a man who is a strong proponent of the environment, education, research, and health care.
